Dear Student of Scriptures:

The ofte-repeated requests of our tape family over the years for a complete catalog of Dr. Spencer’s lectures and sermons have made this catalog long overdue. Here it is at last!

Dr. Spencer’s “Key Words Which Unlock Scripture” have been arranged according to the 8 standard divisions of Systematic Theology. We believe that this procedure will greatly assist you in ordering tapes in a logical fashion for laying a sound foundation for Bible Study.

Note that in addition to the opening section on Systematic Theology there are also exciting collections of Bible studies by topics, plus complete series of word-by-word, verse-by-verse expositions of the Corinthian epistles.

Here indeed is a rich menu for the heart which hungers and thirsts after righteousness. If you feed on the Word of God that you may grow thereby: Welcome to the Feast!

It is our delight to serve you, and a joy to hear how many of you are really growing in your understanding of the Word.

Cordially, your Word of Grace Team -

Mary Alice Spencer, Peter & Maria Spencer, Sabrina Friesenhahn, A.C. Fails,

Tulip

(3 Audio tape set - \$22.50 / Book \$10.00)

TULIP is a popular acronym for the 5 points of Calvinism given in studied reply to the 5 points of the Arminianists by the Synod of Dort.

“T” stands for Total Depravity

“U” stands for Unconditional Election

“L” stands for Limited Atonement

“I” stands for Irresistible Grace

“P” stands for Perseverance of the saints

Dr. Spencer’s Book “Tulip”, published by Baker Book House of Grand Rapids, is an outgrowth of these lectures.

Gospel in the Stars

(4 tape set - \$30.00 / Book - \$6.00)

God hates astrology and astrologers because both are perverters of original Truth. In this series of lectures, Dr. Spencer develops the idea *intimated* in Scripture that the Gospel is proclaimed by the Maz-zaroth – the Hebrew Bible name for the constellations of the Zodiac – by means of the names of the stars along the path of the sun.

These messages have had an amazing history. God has used them to convert professional astrologers and horoscope casters from the devilish ways. It has been very useful with adults and teenagers who have taken daily horoscopes in magazines and newspapers seriously.

Pneumatology - The Doctrine of the Holy Spirit

Regeneration (2-PN-1a) (Audio Tape \$7.50 / Transcript \$4.00) – The initial work of the Holy Spirit in the “so great salvation” of God’s elect; chosen by God the Father, died for by God the Son and made alive by God the Holy Ghost.

Faith (2-PN-2a) (Audio Tape \$7.50 / Transcript \$4.00) - The gift of God the Holy Spirit which follows the mighty work of Regeneration. If the order of regeneration, then faith is reversed, the sovereignty of man in salvation is exalted – a serious heresy and anti- biblical.

Repentance (2-PN-3a) (Audio Tape \$7.50 / Transcript \$4.00) - Those who are genuinely saved always manifest true repentance, a change of mind or attitude, which results in a changed life.

Conversion (Audio Tape \$7.50 / Transcript \$4.00) - The outward “turn about” which reflects the inward state of genuine repentance and saving faith worked in by the Holy Spirit

Love (2-PN-1b) (Audio Tape \$7.50 / Transcript \$4.00) – The “fruit of the spirit is (agape) love”. Agape (“in spite of love”) contrasted with Phileo (“because of love” in light of John 3:16).

Hope (2-PN-1d) (Audio Tape \$7.50 / Transcript \$4.00) – The “hope” of the pagan, which may be good or bad hope, because grounded in the non-sovereignty of man, contrasted with the Christian “blessed hope”, grounded in the absolute sovereignty of God and immutability of His Word.

First Resurrection (2-PN-1e) (Audio Tape \$7.50 / Transcript \$4.00) - A figurative term used in Scripture to describe the regenerative act of the Holy Spirit in raising the elect persons out from among the *spiritually* dead, to be seated in the heavenlies with Christ (Eph. 2:6).

Ecclesiology –The Doctrine of the Church

Abrahamic Covenant (1-EC-1b) (Audio Tape \$7.50 / Transcript \$4.00) - An examination of the testimony of Scripture which declares that all of the physical promises to Abraham have long ago been completely fulfilled. The spiritual meaning of The Promise or Abrahamic Covenant, which the apostle Paul equates with the Gospel, is explained. A most important lecture.

Davidic Covenant (1-EC- 2b) (Audio Tape \$7.50 / Transcript \$4.00) - An extension of the covenant made with Abraham in which the dynasty of David, by way of Christ, is established in terms of eternal dynasty, throne and kingdom.

Circumcision (2-EC-1a) (Audio Tape \$7.50 / Transcript \$4.00) -The sign and seal of the covenant of grace made with Abraham some 400 years before the giving of the law of Sinai. Without this sign and seal an infant was looked upon by God as “cut off” from the Old Testament church.

Old Testament Baptism (2-EC-2a) (Audio Tape \$7.50 / Transcript \$4.00) -A study of Baptisms in the Old Covenant viewed through the eyes of the writer of the epistle to Hebrews.

OT Baptisms (washings) (2-EC-3a) (Audio Tape \$7.50 / Transcript \$4.00) – A study of the baptisms of the Old Testament, translated “washings” in the AV, all of which were by affusion or aspersion but none by immersion.

Baptisms (High Priest’s) (2-EC-4a) (Audio Tape \$7.50 / Transcript \$4.00) - the High Priest was consecrated by pouring with water, sprinkling with blood and laving with oil.

Baptism (Kings) (2-EC-5a) (Audio Tape \$7.50 / Transcript \$4.00) -The consecration of kings in the Old Testament alongside springs is examined in light of their foreshadowing of Jesus’ baptism.

First and Second Corinthians

The Corinthian saints lived on a great butte which was located on an isthmus varying from 4 to 6 miles in width. This butte, or flat-topped mountain, rose almost perpendicular to a height of some 2,000 feet, and was broad enough to contain a large city and its great temples.

As early as Homer, Corinth was important. Its location made it a military stronghold and its command of naval harbors on the Aegean Sea to the east and the Ionian Sea to the west made it a strong center of busy commerce between Asia and Europe.

These factors drew Paul like a magnet to Corinth. He knew that so many persons from all over the world passed through this key of commerce that the Gospel would be spread by converts, and even sceptics, to cities and countries all over the earth. As a result the seed of the Gospel would be scattered abroad and reach thousands of lives which Paul would never be able to personally touch.

“Of all the cities of the ancient world (Corinth) was the most notorious for licentiousness” (Hodge). Both by heritage and immoral surroundings the natives were inclined to be mercurial and self-indulgent. They were full of party spirit, as is indicated by their recorded boasts “I am of Paul”, “I am of Apollos”, “I am of Cephas (Peter)”, and so on. Their proneness to backslide into immorality, and to press their “Christian liberty” far out of proportion, were part of the ills that beset the assembly of Christ in Corinth. The first and second epistles to the Corinthians is Paul’s gracious, yet firm, answer to their many spiritual problems.

Dr. Spencer’s expositions are therefore intense and exciting. They are sermons which speak to the heart of the listener with a freshness that will make many hearer-doers of the Word say, “Paul is speaking to me!”
